### 3 Coach declaration of consent

I hereby declare with my signature that the athletes in my club/school are familiar with the competition rules and fully recognise them. They are in good health, have a medical certificate (not older than 1 year), and are not taking any doping substances. Your participation is voluntary and at your own risk. Underage participants must have the consent of a parent or legal guardian. Any liability of the organiser is excluded; competitors, referees, coaches and officials must insure themselves against accidents/damage!

The height and weight specifications of the athletes in my club/school correspond to reality. There is a **500-gram weight and 3 cm height tolerance**.

I am aware that the athletes of my club/school will be excluded from the competition if the entry fee is not paid. The entry fee will be forfeited if the athletes do not take part in the competition if they are excluded due to gross violation of the rules or unsportsmanlike behaviour, or if they are disqualified due to being overweight/overweight.

Deregistration of registered athletes is possible until **05.12.2024**. In the event of cancellation by the deadline, the entry fee will be refunded minus any expenses.

By signing this form, the responsible coach declares that he/she agrees to all competition rules and tournament conditions for this tournament. In particular, he/she acknowledges that the organizer excludes all liability.
